“ I know you probably don't know the name. I am Dan & Peggy Schneider's daughter, Jill. Mom called to tell me about his passing. I am so sorry to hear this. He was such a nice guy. Although I did not know him that well my parents thought the world of him. Mom always told me about how he took her on a boat ride trying to get her to go into labor with me. Always makes us laugh. I sure wish I could be at the funeral but will be unable to because of child care issues. However, He is in a much better place now, at peace. I hope your family can be at peace with his passing as well. Our thoughts and prayers are with you during this difficult time. Sincerely, the Meusch family.
